

## Thank you for *advancing the world of health*

In support of the BD purpose of *advancing the world of health*, a donation has been made on your behalf to purchase medical supplies essential for childhood health through Save the Children®. The lifesaving kit includes antibiotics, oral rehydration salts and zinc to provide children under the age of five with defenses against deadly conditions like pneumonia and diarrhea, which kill 2,195 children every day—more than AIDS, malaria, and measles combined.

Every one of us at BD plays an important role in bringing our brand to life. When we truly *live the brand*, we can realize the full measure of impact we can have individually, as teams and as a company. Thank you for helping live the brand and for *advancing the world of health* through your daily work.
