

Thank you for *advancing the world of health*

In support of the BD purpose of *advancing the world of health*, a donation has been made on your behalf through GlobalGiving.

At BD, we focus our philanthropic outreach and community relations programs in areas where BD can create the greatest impact—supporting international immunization campaigns, promoting healthcare worker safety, raising awareness of pandemic diseases, providing disaster relief and much more.

Every one of us at BD plays an important role in bringing our brand to life. When we truly *live the brand*, we can realize the full measure of impact we can have individually, as teams and as a company. Thank you for helping live the brand and for *advancing the world of health* through your daily work.
