

## Thank you for *advancing the world of health*

In support of the BD purpose of *advancing the world of health*, and our global efforts to prevent, diagnose and treat HIV & AIDS, a donation has been made on your behalf to purchase a UNICEF HIV test kit. In just 20 minutes, this rapid HIV test kit can let a pregnant mother know her HIV status, helping her act in time to prevent transmission of the virus to her unborn child. This gift will provide HIV tests for 100 expectant mothers.

Every one of us at BD plays an important role in bringing our brand to life. When we truly *live the brand*, we can realize the full measure of impact we can have individually, as teams and as a company. Thank you for helping live the brand and for *advancing the world of health* through your daily work.
