

Thank you for *advancing the world of health*

In support of the BD purpose of *advancing the world of health*, and our global disease eradication efforts, a donation has been made on your behalf to purchase malaria treatment through Save the Children®. The treatment can quickly and effectively restore the health of children suffering from this mosquito-borne disease, which killed nearly 429,000 people last year alone.

Every one of us at BD plays an important role in bringing our brand to life. When we truly *live the brand*, we can realize the full measure of impact we can have individually, as teams and as a company. Thank you for helping live the brand and for *advancing the world of health* through your daily work.
