

Thank you for *advancing the world of health*

In support of the BD purpose of *advancing the world of health*, a donation has been made on your behalf to purchase a kit from Save the Children® that can help stock a medical clinic. The kit contains supplies such as stethoscopes, blood pressure meters, thermometers, measuring tapes, syringes, gauze and bandages to help healthcare workers offer children both emergency and preventive care.

Every one of us at BD plays an important role in bringing our brand to life. When we truly *live the brand*, we can realize the full measure of impact we can have individually, as teams and as a company. Thank you for helping live the brand and for *advancing the world of health* through your daily work.
