

Thank you for *advancing the world of health*

In support of the BD purpose of *advancing the world of health*, a donation has been made on your behalf to purchase a bracelet from charity: water, an organization devoted to bringing safe drinking water to areas that desperately need it. According to the World Health Organization and UNICEF, 663 million people live without the clean water necessary to avoid the spread of disease. This gift will help charity: water in their lifesaving mission.

Every one of us at BD plays an important role in bringing our brand to life. When we truly *live the brand*, we can realize the full measure of impact we can have individually, as teams and as a company. Thank you for helping live the brand and for *advancing the world of health* through your daily work.
